An Encouraging Word

Last Sunday night, actor Christian Bale won an award for best actor in a motion picture at the Golden Globe awards. As he accepted this award, he said, "Thank you, Satan, for giving me inspiration on how to play this role." Although I did not watch the Golden Globe Awards, I have heard many people comment on how our world has changed. For many, it seems horrendous that someone would publicly thank "Satan" for helping them win an award.

His remarks remind us of the fact that Satan is real. Many people think of God and Satan as fictional characters that do not play any role in the course of human affairs. Christian Bale and I agree on one thing. Satan is real. He is the prince of this world and has power to influence and inspire people to do his will. But if Satan is real, then God also is real. God is all powerful and has complete authority over Satan and all the powers of this world. So when you hear someone talk about Satan and his power, remember that God is greater and more powerful. I encourage you with the words found in 1 John 4:4 when the Bible reminds us that **greater is He who is in you than he who is in the world.**

Be encouraged,
Pastor Rob

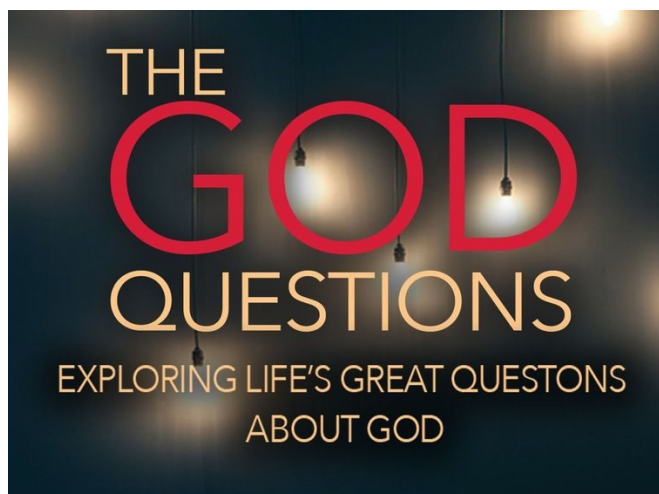

Is God Real?

Psalm 14:1-2

Throughout history, people have questioned the existence of God. For my sermon today, I want to share with you three reasons why we can know that God is real.

1. _____ tells us that God is real.
2. _____ tells us that God is real.
3. _____ tells us that God is real.

The fool says in his heart, "There is no God." They are corrupt, they do abominable deeds; there is none who does good. The Lord looks down from heaven on the children of man, to see if there is any who understand, who seek after God.
