## An Encouraging Word

We live in a culture that has a formula to make everything easier. Just go to a bookstore and you can find books that say Ten Easy Steps to Gourmet Cooking or Five Simple Steps to Planting a Garden or How to Master Brain Surgery in Five Days or Less. There is something about our human nature that wants a simple formula that will make life easier.

About 10 years ago, I preached a sermon called *Ten Ways to Know God's Will for Your Life*. I saw more people taking notes during that sermon than I had ever seen before in our Church. Why? Because I appeared to be giving a secret formula or "ten easy steps" to knowing God's will. As I look back on that sermon, I now realize that the secret to knowing God's will is not found in a formula or a list of ten things to do. The secret to knowing God's will is found in knowing God. The more you know God, the more you will know His will for your life. My prayer for this sermon is that your heart's desire will be to know God better and so learn His perfect will for your life.

Be encouraged,  
**Pastor Rob**
