## An Encouraging Word

One of my favorite books of all time is *The Treasure Principle*, by Randy Alcorn. I have read it dozens of times and we always have it available in our Resource Center. The Treasure Principle consists of six keys that help us understand the truth about money. What are they?

### 1. God owns everything, and I am His money manager.

*We are the managers of the assets God has entrusted – not given – to us.*

### 2. My heart always goes where I put God's money.

*Watch what happens when you reallocate your money from temporal things to eternal things.*

### 3. Heaven, not earth, is my home.

*We are citizens of a "better country – a heavenly one"*

### 4. I should not live for the dot, but for the line.

*From the dot – our present life on earth – extends a line that goes on forever, which is eternity in heaven.*

### 5. Giving is the only antidote to materialism.

*Giving is a joyful surrender to a greater person and a greater agenda. It dethrones me and exalts Him.*

### 6. God prospers me not to raise my standard of living, but to raise my standard of giving.

*God gives us more money than we need so we can give – generously.*

I truly believe these six keys can transform your finances and your faith. I encourage you to not only learn them, but to live them out in your life.

Be encouraged,  
Pastor Rob
