An Encouraging Word

The word rapture does not appear in the Bible, but it is a word that describes a pivotal point in human history. The rapture is sometimes called the vanishing, the snatching up, or the disappearing of millions of people. One moment the room will be filled with people. The next moment many will vanish or disappear. One pastor friend told me it is similar to what happens at Church the Sunday after Easter! The Church is filled with people on Easter Sunday and the following Sunday they all vanish or disappear!

We had a great Easter Celebration last Sunday. It was the first Sunday in the history of our Church where our worship attendance was over 2,000 people. As we celebrate this milestone, may we remember that there is still much work to be done. As that same pastor friend also said, the real victory is not how many people come to Church on Easter, but how many come back the following week!

Is weekly Church attendance a preference or a conviction? A preference is something you would like to do. A conviction is something you are committed to do. I want to encourage you to make weekly worship a conviction in your life and family. Today I begin a 15-week sermon series from the book of 1 Peter called Joy in the Trials. I encourage you to resolve to not miss a week as we dig deep into the wonders of the Word of God!

Be encouraged,
Pastor Rob
