## An Encouraging Word

Years ago I held a bar of gold in my hand. When I was told its value, I almost fainted. I learned that day that gold is much more valuable than paper money. I also learned that there is a purifying process to make gold pure. Solid gold ore must be melted to 1,900 degrees Fahrenheit. When the gold is melted, the impurities rise to the top, where they are skimmed off. The metal worker knows the gold is ready when it becomes like a mirror and he can see his face reflected off the surface. Gold is tested by fire and comes through the fire purified.

In the same way, when we go through fiery trials, we are purified. We become better versions of ourselves. We grow spiritually and reflect Jesus Christ's character in our lives more and more. This produces genuine faith that is even more precious to God than gold. When you remain faithful in the midst of trials, you can know that your faith is precious to God. By your faithfulness in trials now, you will receive praise, glory, and honor from God at the revelation of Jesus Christ. Jesus will welcome you into your eternal home and say "Well done, good and faithful servant."

Be encouraged,  
Pastor Rob

### Joy in Trials

1 Peter 1:6-12

*In this you rejoice, though now for a little while, if necessary, you have been grieved by various trials, so that the tested genuineness of your faith—more precious than gold that perishes though it is tested by fire—may be found to result in praise and glory and honor at the revelation of Jesus Christ. (1 Peter 1:6-7)*

1. Trials are \_\_\_\_\_. (They do come)
2. Trials are for a little \_\_\_\_\_. (They are temporary)
3. Trials are \_\_\_\_\_. (They have purpose)
4. Trials cause \_\_\_\_\_. (They are painful)
5. Trials are \_\_\_\_\_. (They come in many forms)
