An Encouraging Word

Could it be that you need to "grow up" as a Christian? There are many people who have come to faith in Christ but have never taken the steps to grow in Christ. Peter addressed this problem with Christians in the early Church.

*Like newborn infants, long for the pure spiritual milk, that by it you may grow up into salvation.
1 Peter 2:2*

Years ago when my boys were small, I was watching television in the family room when I heard a loud noise coming from my son's bedroom. As I went into his room to check on him, Michael was not in his bed. I quickly searched for him but could not find him anywhere in the house. Frantically, I went back into his room and there he was. He was sound asleep on the floor on the far side of his bed. He had fallen off his bed and he never woke up. I picked him up and put him back into his bed. When I asked him how he had fallen off the bed he replied, "I guess I stayed too close to the place where I got in."

Friends, it is easy for you to do the same thing in your Christian life. As you reflect on your Christian life today, are you growing spiritually? Are you closer to God today than you were one year ago? Have you got a plan in place so that you will be closer to God next year than you are today? I want to encourage you today to make a commitment to "grow up" in your Christian faith. Don't settle for being a baby Christian. Long for the pure spiritual milk of the Word of God so that you can "grow up" in your Christian faith.

Be encouraged,
Pastor Rob
