An Encouraging Word

My college roommate was Andy Howell. His mother taught him that Aloe Vera leaves were the cure for everything. If I fell and cut my knee, he would get me to rub my knee with an Aloe Vera leaf. If I had a headache, he would get me to rub my head with an Aloe Vera leaf. One night I came home to our apartment and found Andy lying on the couch. He was visibly upset as he told me about his girlfriend breaking up with him. As I looked closer, I saw what he was doing. He had an Aloe Vera leaf in his hand and he was rubbing his heart. He was convinced that the Aloe Vera leaf could cure a broken heart!

How do you handle a broken heart? What are you holding on to in the tough times of life? What is going to give you hope? While my friend Andy might turn to an Aloe Vera leaf, I encourage you to turn to Jesus. He is a heart specialist. He loves you and He cares for you. He can give hope to the broken hearted.

Be encouraged,
Pastor Rob
