An Encouraging Word

Have you noticed some of the changes in our worship services recently? Although change is constant, some people struggle with change. I heard it said that the only person who likes change is a baby with a wet diaper! For that reason, I want to communicate with you some of the small changes we are making in our worship time. Above anything else our goal is to worship God as we gather on Sunday mornings. To accomplish this, we are continually looking for ways to enhance our focus on worship. Since the beginning of 2020, we have begun implementing some changes to our worship schedule. You may notice some of the following changes:

- Communion will take place on the first Sunday of every month in all three services.
- The offering and the greeting time will be moved to the end of the service.
- More time and emphasis will be given to prayer during the service.
- Announcements will primarily be shared by video at the end of the service.

As a pastor who is by nature a people pleaser, I wish we could accommodate everyone in the areas listed above. But I am reminded that these changes are minor. Our major focus is always worshiping God. Even more, worship is not about pleasing people. It is all about pleasing God. I covet your prayers and support as we continue to strive to please God in our worship each week.

Be encouraged,
 Pastor Rob
